PANEL 1

On a street corner, Daisy is looking around a corner, waving for everyone to be quiet. Autumn stands behind her, nodding seriously.

DAISY

Everyone be quiet now. Forrester Rex's headquarters are right around the corner.

AUTUMN

Then it's time to send in my guards.

PANEL 2

Autumn is facing her guards and giving them stern orders. A bunch of guards stand at attention, murmuring anonymously as they hear and interpret Autumn's orders.

AUTUMN

All of you, get in through every door and window at the same time. Subdue everyone you run into.

AUTUMN

And when the FAERIE QUEEN shows up, drop everything you're doing and RUSH HER!

GUARDS

(floating balloons)

Enter doors.

Windows.

Subdue.

Hump.

Rush queen.

PANEL 3

Wide panel. On the left side, we see guards stealthily entering through doors or opening windows to slip inside. At right, Daisy and Heather are looking at the action. At far right, her back to Daisy and Heather, Autumn looks at them over her shoulder while

glancing at Little Attitude (extreme right). Autumn looks a bit worried.

DAISY

Well, here goes nothing.

HEATHER

I have a BAD FEELING about this.

AUTUMN

Don't worry, we've got this.

AUTUMN

(whispering)

You've got this, right?

PANEL 4

Zoom in on Little Attitude, white as a sheet and trembling with terror, trying to look confident.

AUTUMN

(from off-panel)

...RIGHT?

LITTLE ATTITUDE

(thinking)

[filled with "I can't do this"
repeatedly]

LITTLE ATTITUDE

(wobbly balloon)

R-right...

PANEL 5

Inside the faerie queen's revamped headquarters, two royal guards are subduing two generic thugs (don't need to be ones we've seen before). One is doing this from behind, claspng a mouth over the thug's mouth. The other is holding the thug's face into his massive cleavage, grinning at his own cleverness. Either way, the thugs are helpless and silenced.

CAPTION

Inside, the guards were making sure no one sounded the alarm.

THUG #1

MFFF!

THUG #2
