### PANEL 1

CAPTION

Alas, an UNRESTED queen's power is not without limits.

FAERIE QUEEN

(thinking)

Oh no... Dizzy again...

### PANEL 2

The faerie queen escapes outside the headquarters into the street, Autumn, Heather and Little Attitude spot her. The queen is looking over her shoulder at the headquarters, so she doesn't notice them (yet). She looks genuinely worried.

FAERIE QUEEN

(thinking)

I feel so drained. I used too much magic. I need to hide and rest.

### PANEL 3

Attitude, fist clenched, looks at Little Attitude, who herself is looking away (outside the panel, presumably at the faerie queen). She hovers forward slowly, terrified.

AUTUMN

There she is! You know what to do.

LITTLE ATTITUDE

O-okay...

### PANEL 4

Focus on Little Attitude (torso shot) as she waves her arms and hands, and begins to recite the spell. She looks pale and her forehead sweats with dread.

LITTLE ATTITUDE

(thinking)

Okay, here goes nothing.

LITTLE ATTITUDE

(LOUD balloon, lots of squiggles,  
big font)

KLAATU BARADA NIK[TO]

VOICE #1

(from off-panel, overlapping [TO])  
STOP!

PANEL 5

Wide panel. From left to right: Griz (now dressed as a PALACE GUARD) holding a knife to Autumn's throat, who's on her knees. She's obviously in pain and glancing over her shoulder at Griz, who's also yanking her hair hard. Heather is off to the side, cringing at the tense situation. Little Attitude is in the middle, facing right but looking over her shoulder at Autumn's predicament, shocked and scared. Further right, the faerie queen throws her head back, hands on her hips, laughing victoriously as the tide of battle finally turning in her favor.

GRIZ

One more WORD and I'm cutting her  
throat.

HEATHER

(thinking)

I KNEW something was going to go wrong.

LITTLE ATTITUDE

Autumn! No!

FAERIE QUEEN

(loud balloon, big font)

MUAHAHA!

(cont'd, normal balloon and font)

So you're behind this, COUNTESS OF  
ASHWOOD? I should have known.

FAERIE QUEEN

And you brought me my prey at the same  
time. Now my victory is complete.

CAPTION

To be continued.
